Magickey Teknik® Quantum Harmonizing Wand,
(emits 1,500 - 2,000 negative ions, therapeutic to work on meridians and energies.)

History

The Magickey Teknik® Harmonizing Wand is naturally self-energizing and is developed by Nano Fusion to be a unique and beneficial combination of crystals and minerals, which generate a high concentration of SCALAR ENERGY, NEGATIVE IONS, crystalline energy and magnetic energy in a single protective power field.

The Magickey Teknik® Harmonizing Wand restores synchronization with the zero point field. It is called "phase-locked" because it creates a vortex of energy that re-establishes synchronization with the zero-point field.

When a part of the body goes out of sync it loses its vitality, does not heal effectively and can get sick. It can happen following an injury, an emotional shock, an unhealthy diet ... in short, it happens to all of us!

The Magickey Teknik® Harmonizing Wand allows you to be the natural healer you know you are. You can harness and mobilize the energy of the zero point field. Just move the pencil to the places that hurt you, where you have wrinkles, or any other place where you need to find harmony and health.

Its external structure is made of food grade stainless steel (316); it is stable and neutral.

About the Magickey Teknik® Harmonizing Wand:

The Magickey Teknik® Harmonizing Wand emits energy that rejuvenates the molecular structure of any type of fluid. This creates a very high degree of oxygenation, better taste and longer shelf life. The renewed molecular water strains are similar to those found in healthy natural spring water. Like fruits and vegetables, the human body is just as slow to lose its strains of molecular structure as it ages. These can be recharged at the molecular level, to produce renewed energy, using the Magickey Teknik® Harmonizing Wand.

The natural concentration of hydrogen in water is extremely important for the well-being of the body. Water with molecular structure leads to a huge increase in the flow of oxygen in the blood, makes you feel young, fresh and energetic.

It also gives you the energy to take on the challenges of everyday life with a positive attitude. Improved oxygen flow helps detoxify the body. It even improves the body's ability to absorb nutrients. If the Magickey Teknik® Harmonizing Wand is placed under your bed, you sleep gradually, but quickly, improves as the body's positive chi / prana energies flow naturally when activated in a healthy way.

Inside, 4 technologies are combined:

- Negative ion generator
- Germanium with harmonized resonance
- Molybdenum magnet
- Far infrared generator

You can use it in several ways:

- On pain areas of the body
- To structure and basicify your water and beverages
- On the navel to increase your energy level
- Go around your chakras
